

TIAZARA GAËTAN

Geomatics engineer student specialized in Information System Technology

CIVIL SERVANT STUDENT

PROFIL

LastName	TIAZARA
FirstName	Gaëtan
Date of Birth	09/05/1999
Nationality	French
Languages	French (fluent), English (advance), German and spanish(beginer)

Drivers licence B

Passion et centre d'intérêt

Musique (guitare), Sport (foot, vélo, basket), jeux type puzzle et stratégie

CONTACT

Mobile	+33 7.84.79.54.07
Mail	gaetan.tiazara@ensg.eu tiazaragaetan@gmail.com
Adresse	12 Allée du bois Moussu Champs sur marne 77420

GRADUATION INTERNSHIP

Availability: from 02 May 2023

Duration: between 4 and 6 months

ACADEMIC PATH

2018:

- HIGH SCHOOL DIPLOMA in science: HIGH SCHOOL LISLET GEOFFROY, SAINT DENIS, LA REUNION (97490)

2018-2020:

- Classe Préparatoire au Grande Ecole (CPGE): HIGH SCHOOL ROLAND GARROS, LA REUNION

2020-2023:

- Engineering school in geomatics:ENSG Géomatique marne la vallée (PARIS EST)

SKILLS

- **OOP**
  UML and design pattern
- **Web and Framework**
- **Spatial analysis and GIS plugnis**
- **Librairy 2D/3D**
- **Scientific programming and data processing**
- **Project management (agile)**
- **Virtualization**

Projects, experiences and activities on my portfolio

https://gtiazara.gitlab.io/portfolio/portfolio/

Qualité technique, logiciel manipulé, langage de programmation, framework

•**Programming language**:Python(NumPy, panda, scikit-learn...),C++ et opengl(glfw, glew,glm,...),Java(JEE,spring,Hibernate),Web(front,back,framework:django,codeigniter) ,BD et Big data(sql: postgresql,postggis,geoserver,nosql,Sparql)

•**Software**: Latex, QGIS, ArcGIS, Android Studio, Pgadmin, chart software (lucidChart, StarUML...), office pack, Orfeo toolbox (traitement d'image satellite), graphDB (web sémantique), visual studio et vcpkg,unity

ACADEMIC AND PROFESSIONAL EXPERIENCES

May 2022 **Institut of marine conservation en Grèce (3MOIS)**
Research intern: Research intern in GIS

May 2022 **Institut national de l'information géographique et forestière (3mois): Field intership in geomatics**

April 2022 **Development project with Institut de Physique du Globe de Paris (IPGP)**: Development of an interface visualization of geodesic data

October 2021 **initiation to research:** Overlay of an aerial shot by drone to an old aerial photo

February 2021 **JUNIOR ENTREPRISE of ENSG GEOMATIQUE:**

Vertigéo: Position of Project Manager with 2 major projects supported in 2021 then web master position of the junior company in 2022..

Personal and Professional Suitability

- Autonomy
- Team work
- Rigorous
- Non smoker
- Challenger
- Great confidence in my technical abilities
- A bit timid but proactive
- Hobby games like puzzle and strategy.
- Passionate about new computer technology and programming
